

## INTRODUCTION TO PERSONALISATION IN SOCIAL CARE LEVEL 3 (QCF 3 CREDITS)

This unit is aimed at those working in a wide range of settings. It introduces understanding of how personalisation affects the provision of social care services, with a focus on the systems, skills and support needed to implement personalised provision.

### Who is this course suitable for?

This course is suitable for all learners aged 19 and above in England, who are capable of reaching the required standards.

### What will I gain from this framework?

This qualification confirms knowledge and understanding of "Personalised Care". Successful learners will gain 3 credits from the Qualifications Credit Framework and can use this as evidence for the level 3 Diploma in Health & Social Care.

### What if I can't fit it in?

The Business Solutions @ Northbrook team understand how hectic life can be sometimes; it's for this reason that we're happy to customise this workshop for individual employers and ensure flexible delivery, either on your premises or at Northbrook College (A company costing will be provided once your training needs are finalised).

### Do I need any experience?

Learners must be capable of reaching the required level 3 standard.

### What will I learn on this course?

Learners will cover outcomes including:

- › Understanding the meaning of personalisation in social care
- › Understand systems that support personalisation
- › Understand how personalisation affects the way support is provided

### What are the specific details?

<b>Price</b>	£150.00
<b>Duration</b>	Approximately 4 weeks
