

NCFE LEVEL 2 CERTIFICATE IN HEALTH AND SAFETY AT WORK (QCF 13 CREDITS)

This qualification will enable candidates to improve their current knowledge of Health and Safety, by introducing candidates to the various Health and Safety UK and European acts and legislation. Candidates will gain an understanding of the risks and hazards that can exist within the working environment and the Health and Safety at Work Act 1974. The programme consists of three units. All qualifications are run within the workplace and certification is gained by the completion of a workbook and internal and external moderation.

Who is this course suitable for?

All candidates wishing to increase their knowledge in Health and Safety and candidates who wish to access training within the health and safety sector, with a view to progression to further and/or higher programmes of study.

Do I need any experience?

No previous experience required

What if I can't fit it in?

The Business Solutions @ Northbrook team understand how hectic life can be sometimes; it's for this reason that we're happy to customise this workshop for individual employers and ensure flexible delivery, either on your premises or at Northbrook College (A company costing will be provided once your training needs are finalised).
