

PRINCIPLES OF SAFEGUARDING AND PROTECTION IN HEALTH AND SOCIAL CARE LEVEL 2 (QCF 3 CREDITS)

This unit is aimed at those working in a wide range of settings. It introduces the important area of safeguarding individuals from abuse. It identifies different types of abuse and the signs and symptoms that might indicate abuse is occurring. It considers when individuals may be particularly vulnerable to abuse and what a learner must do if abuse is suspected or alleged.

Who is this course suitable for?

This course is suitable for all learners aged 19 and above in England, who are capable of reaching the required standards.

What will I gain from this framework?

This qualification confirms knowledge and understanding in "The Principles of Duty of Care". Successful learners will gain 3 credits from the Qualifications Credit Framework and can use this as evidence for the level 2 Diploma in Health & Social Care.

What if I can't fit it in?

The Business Solutions @ Northbrook team understand how hectic life can be sometimes; it's for this reason that we're happy to customise this workshop for individual employers and ensure flexible delivery, either on your premises or at Northbrook College (A company costing will be provided once your training needs are finalised).

Do I need any experience?

Learners must be capable of reaching the required level 2 standard.

What will I learn on this course?

Learners will cover outcomes including:

- › Know how to recognise signs of abuse
- › Know how to respond to suspected or alleged abuse
- › Understand the national and local context of safeguarding and protection from abuse
- › Understand ways to reduce the likelihood of abuse
- › Know how to recognise and report unsafe practices
