FINANCIAL SUPPORT

Many of our courses are eligible for funding. This means you could study a course for free if you are eligible. Full details of fees and financial support can be found on our website, and are always listed on the course page online under 'Cost & Finance'.

AM I ELIGIBLE?

Your eligibility for fee remission will depend on your age, circumstances and previous educational history. Successful applicants may receive help with the cost of fees, equipment and childcare. You do not have to be on benefits to receive financial support. Many successful applicants are working but have a low household income.

INSTALMENT PLANS

The College does offer part-payment agreements. Please contact our Admissions team for more information. Email admissions@gbmc.ac.uk

EMPLOYER SPONSORSHIP

If your employer is paying for your course, they will need to complete a sponsorship form. This forms a contract with the College. Once we have received a completed sponsorship form, you will not be required to pay any fees at enrolment.

ADVANCED LEARNER LOAN

Advanced Learner Loans are similar to Higher Education loans. These loans are available to students aged 19+ studying at Level 3 or Level 4. You do not pay the loan back until after your course is complete and you are earning over a certain amount.

DISCOUNTS

Some students will be eligible for a 50% discount on some Leisure & Hobby courses, provided they meet the eligibility criteria and are in receipt of a means tested benefit.

FULL COST ONLY

When a course is listed as full cost only, there are no discounts available.

If you have any questions, please email admissions@gbmc.ac.uk

Please note Terms and Conditions apply to all Financial Support and Funding. Check the College website or speak with a member of the Admissions team for more information.

GCSEs FOR ADULTS

Whether you are looking to get your GCSE qualification or improve your confidence in English, maths, or science, we can help. Our tutors are supportive, friendly and experienced. We have excellent achievement rates and will work with you to help you reach your goals.

FINANCIAL SUPPORT

Many of our courses are eligible for funding. This means you could study a course for free if you are eligible. Full details of fees and financial support can be found on our website, and are always listed on the course page online under 'Cost & Finance'.

AM I ELIGIBLE?

Your eligibility for fee remission will depend on your age, circumstances and previous educational history. Successful applicants may receive help with the cost of fees, equipment and childcare. You do not have to be on benefits to receive financial support. Many successful applicants are working but have a low household income.

INSTALMENT PLANS

The College does offer part-payment agreements. Please contact our Admissions team for more information. Email admissions@gbmc.ac.uk

EMPLOYER SPONSORSHIP

If your employer is paying for your course, they will need to complete a sponsorship form. This forms a contract with the College. Once we have received a completed sponsorship form, you will not be required to pay any fees at enrolment.

ADVANCED LEARNER LOAN

Advanced Learner Loans are similar to Higher Education loans. These loans are available to students aged 19+ studying at Level 3 or Level 4. You do not pay the loan back until after your course is complete and you are earning over a certain amount.

DISCOUNTS

Some students will be eligible for a 50% discount on some Leisure & Hobby courses, provided they meet the eligibility criteria and are in receipt of a means tested benefit.

FULL COST ONLY

When a course is listed as full cost only, there are no discounts available.

If you have any questions, please email admissions@gbmc.ac.uk

Please note Terms and Conditions apply to all Financial Support and Funding. Check the College website or speak with a member of the Admissions team for more information.
